

# BETHLHEM TESFAYE

## COMPUTER SCIENCE ENGINEER

Addis Ababa | bethlhemt.wordpress.com

### SUMMARY

Just graduate specializing in front-end development and UI/UX design. I thrive in team collaborations and am dedicated to contributing effectively to project success. A fast learner with a passion for creating intuitive user interfaces, I am eager to gain insights from my teammates and continuously enhance my skills in delivering exceptional user experiences.

### TECHNICAL SKILLS

HTML/CSS  
JavaScript  
Git  
React  
Next.js

MySQL  
PostgreSQL  
Figma  
Blender(for 3d modeling)  
Opentoonz

### SOFT SKILLS

Communication  
Problem-Solving  
Collaboration  
Adaptability

### EXPERIENCE

#### Software Development and Networking Intern Jun 2023 - Sep 2023

Ministry of Innovation and Technology(MInT)

- Gained hands-on experience in network systems development and optimization, as evidenced by my networking internship at the Ministry of Innovation and Technology, where I assisted in maintaining network infrastructure and improving network performance to support innovative projects.

#### Animation and Storytelling Intern Jun 2024 - Sep 2024

Behagerlij Advert PLC

- Exhibited creative and narrative development skills as an Animation and Storytelling Intern at Behagerlij Advert PLC, where I collaborated with the creative team to conceptualize and produce engaging animated content, enhancing my abilities in animation software and narrative techniques.

#### Holistic platform for children with Down syndrom Sep 2024 - Jun 2025

Adama Science and Technology University(ASTU)

- Developed a tailored learning platform designed to support children with Down syndrome and their parents, fostering greater awareness and understanding of the condition.

### EDUCATION

#### Computer Science and Engineering BSC Jun 2020 - Jun 2025

Adama Science and Technology University

- Major in Computer Science and Engineering(CSE)
- Thesis on "Empowering Special Needs Education: A Holistic Platform for Children with Down Syndrome".

### ADDITIONAL INFORMATION

- **Languages:** English, Amharic
- **Certifications:** Female high CGPA scorer, Best final year project recognition, Member of peace forum, Charity club membership, freeCodeCamp Responsive web design, freeCodeCamp JavaScript algorithms and data structure
